### Important information:

We have very low case loads compared to the rest of Oregon- we offer a competitive starting salary and benefits. Our offices offer outdoor recreation opportunities as well as flexible time off, remote work, and a generous telecommuting policy. Work-life balance is a priority. You will be surrounded by natural beauty and are encouraged to get out and enjoy it. Our office is deeply team-oriented and client-centered.

### Words from the Chief:

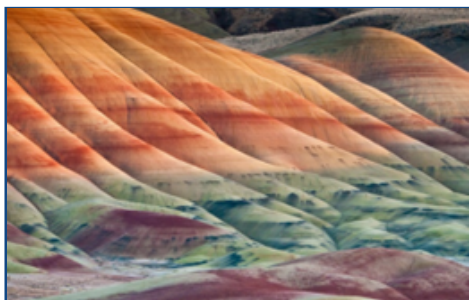

We are committed to bringing zealous public defense to Eastern Oregon, which has a rural population with a lot of poverty and oppression of Latinx groups and Indigenous peoples.
